1. Cookies

Cookies are text files containing a small amount of information that are downloaded to your device when you visit a website, and that enable us to recognize your computer when you visit one of our websites. They are an essential tool that we use to keep our websites functioning correctly and securely. We also use them to make things quicker, easier, and more personal to you, and present you with more tailored advertising content. Cookies are used by most websites to improve their users' experience and to ensure that content and functions are delivered and used effectively, and they perform various functions. For example, some cookies are session cookies, which are downloaded to your device temporarily for the period that you browse a website; these cookies might allow you to navigate between pages more efficiently or enable websites to remember the preferences you select. Other cookies are persistent cookies, which can be used to help websites remember you as a returning visitor or ensure the online adverts you receive are more relevant to your specific needs and interests

2. Use of Cookies

- a. The primary use of cookies on our websites is to:
- b. enable you to login to our websites;
- c. enable you to save time and facilitate future access to the site;
- d. identify how people navigate through our website to improve our Service, content and the effectiveness of our communications;
- e. collect and share device data to detect and prevent devices associated with fraud and money laundering;
- f. identify account and device irregularities and detect and prevent fraudulent transactions and abuse of our user accounts and our services.

VPFX Financial Services may, from time to time, place cookies on your device to save information (such as username, password, other personal details, e-mail address, technical device information such as the model and its IP address) to make full use of the functionality and services on our website and to allow your browser to identify you as a user. This enables you to not have to re-enter this information each time you visit the VPFX Financial Services website. These cookies cannot be used to run programs or deliver viruses to your computer and are uniquely assigned to you. These cookies can only be read by the web server(s) that placed the cookies on your device. You can amend your browser settings at any time to block some or all cookies from VPFX Financial Services. However, if you block cookies from VPFX Financial Services, some or all the website's functions may not perform as intended.
